The following work experiences are examples of work experience that would be considered for points.

- Multidisciplinary teamwork that includes collaboration with an RN
- Patient health & hygiene, vital signs, feeding, daily living, mobility/transfer techniques

Personal caregiving positions in private homes without a business license are not able to be considered.

Phlebotomy in a clinic alone does not qualify, but may be considered depending on the job description and duty list if in a healthcare setting where collaboration with RN's or LVN's is evident.
